Dear Committee:

Thank you for your generous contribution of \$1,000.00 to Citizens to Elect Dwight Evans at the breakfast reception held at the Harrisburg Hilton on October 20, 2009.

I value more than words can express the confidence that you have shown in my leadership. Support from citizens like you make it possible to continue my work as a member of the General Assembly, but more importantly as Chairman of the House Appropriations Committee.

Do not hesitate to contact me to express your views on issues of importance affecting citizens across the commonwealth.

Best regards,

Dwight Evans
