

**VERIZON EISP VOLUNTEER UPDATE**  
**6/26/10**

The Company provided to the Union late last night the information regarding the EISP acceptances along with the names of the employees who will be leaving with the EISP on each of the two off-payroll dates of 7/4/10 and 11/21/10. The only exception is the Company is still compiling the list for Director Chris Zorn-Pregel's organization and those names won't be available until Monday and will be relayed when we receive it. The information we have received has been forwarded out to all Unit Presidents across both Regions.
