

CWA Local 13000 welcomes our newest members to our Union Family. Last night, the Warrington Township Firefighters overwhelmingly voted YES in their Pennsylvania Labor Relations Board representation election to be represented by CWA Local 13000. Our warm welcome and congratulations go out to all these new members. Thanks also goes out to our own Local 13000 Organizer, Justin Voelker for his tireless dedication and hard work and everyone else who helped and supported these members through this organizing campaign to ensure these members now have a voice in the workplace. Our focus now turns towards the bargaining for their first contract.
