

# Comcast Alle-Kiski Bargaining Report 10

## 3/13/2024

The Union committee has had a number of off table meetings and discussions since February 28, 2024, in an effort to get to a satisfactory conclusion to this round of bargaining. We met with the Company back at the table several times today, March 13, 2024. While we primarily focused on coming to a fair wage agreement there were other issues which needed resolved as well. After today's sessions we are happy to announce we've reached a tentative agreement on a new contract. Changes include:

- Individual salary adjustments
- Yearly General Wage Increases (GWIs)
- Improved wage progression for new hires
- Increased flexibility in the Summer Overtime Plan
- \$500.00 ratification bonus
- And much more...

A Membership Meeting to offer a comprehensive explanation of all changes and **ratification vote will be held on Wednesday March 20, 2024 at 7:00 PM at:**

**Kinloch Firehall  
915 New York Avenue  
New Kensington, PA 15068**

We have fought with the company for nearly a year to reach this agreement and appreciate your support throughout. You are the reason we succeeded in achieving this and we recommend ratification of this agreement.
