

Comcast AlleKiski Bargaining Report 6

11/2/2023

We met with the company a number of times over the last two days. We continue to focus on wages while resolving other remaining issues. Most of our discussions highlighted the work you perform and the wages you deserve. The company still cannot explain why it undervalues your worth.

Bargaining is in recess for the week and our next dates are November 15 and 16, 2023. Please reach out to your Rep for additional details on bargaining and other concerns.
