

CWA District 2-13/CWA District 1 and PA AFL-CIO Labor Walk

October 26,2024

We're going all out to elect Kamala Harris and that means talking to as many voters as possible in the battleground state of Pennsylvania. Join us for a Labor Walk on Saturday, October 26th to talk with voters on the crucial final weekend before Election Day.

This Labor Walk canvass is in cooperation with CWA District 1 and the PA AFL-CIO, so we'll be knocking on union members' doors and having member-to-member conversations! Face-to-face conversations are perhaps the single most important tool we have to win elections - and this election is the biggest of our lives. **Join us on October 26 to help make history in this election.**

We'll be meeting at the [Sprinkler Fitters Local 692 in NE Philly](#) at **10am** to get turf assignments, do a quick canvassing training, and then hit the pavement! Coffee and doughnuts, water, bathrooms, and parking will be available. Speakers will include Senator Bob Casey, CWA President Claude Cummings, and CWA District Vice President's Mike Davis and Dennis Trainor.

Please click the link below to register. We look forward to seeing you there!
