

Comcast South Hills Bargaining Report 4

3/14/2024

We met with the company a number of times today, March 14, 2024, in an effort to resolve all remaining bargaining items and come to an agreement. Leading into today's face-to-face sessions we have held several off-table meetings and calls and after today's sessions we are happy to announce we have reached a tentative agreement with the company. Some of the changes made are:

- Signing bonus/Individual Wage Adjustments/Annual Wage Increases
- Elimination of Made to Stay
- Improved Holiday/Inclement Weather/Job Security Language
- Better Summer Overtime Plan conditions
- And more

A detailed description of every change will be available for review when we meet for a contract explanation and ratification vote on March 27, 2024, at 7:00 PM at:

**Elizabeth V. F. Co.
106 Market Street
Elizabeth, PA 15037**

The committee recommends ratification of this agreement and encourages you to attend this important meeting.
