

CCI ILEC Bargaining Report 8

9/21/2023

After meeting with the company over the last two days, late this afternoon we were able to come to a tentative agreement. Highlights of the agreement include:

- A 3 year term
- Annual wage increases
- Improvement to performance basement
- New Broadband Installer title added to contract
- Improved training language
- Caps on forced/mandatory overtime
- Improved boot allowance
- Protected YOUR rights to Sickness and Disability benefits
- And more...

A comprehensive list of all changes to the contract will be available soon for you to review. We will hold a contract explanation meeting, answer all questions, AND have the ratification vote on:

Friday September 29, 2023
at 6:00 PM
at
The Line Crew garage
4008 Gibsonia Road

The committee recommends ratification of this agreement.
