Brother, Sisters, CWA Verizon Members,

Recently ballots have been sent out to vote on a Tentative Agreement for a contract extension into 2030 with Verizon. Over the past 2 weeks and continuing until March 26th, 2026, members will have the opportunity to vote on this extension. This tentative Agreement was supported unanimously by your Mid-Atlantic bargaining team, which represents PA, VA, MD, DE, NJ and the District of Columbia. Since the agreement was reached our Local's Executive Board has conducted general membership meetings across the state and will continue do so going forward to review the agreement, give a detailed explanation of pre-Medicare retiree benefits as well as the improvements since the last extension and answers questions from the membership regarding these issues. Your Local officers encourage anyone active or retired to attend the upcoming scheduled meetings if you haven't already done so to get the facts directly from your bargaining representative who was at these negotiations and ask questions about this tentative agreement. If you cannot attend these meetings in person, but still have questions that you would like answers to before you cast your vote, we would ask that you contact the Local 13000 offices:

Executive Office (215) 564-6169

East Region (215) 561-1321

West Region (412) 429-9292

Or you can contact us via email at unity@cwalocal13000.org or email President Gardler directly at jgardler@cwalocal13000.org

We want every member to vote on this agreement, and we want you to make your decision based on the facts and not social media rhetoric or assumptions. Please take the time to attend an upcoming meeting or reach out to get answers to your questions.

In unity,

CWA Local 13000 Executive Board,
